Re: Mayors Ball Sponsorship

Dear Community Member,

A request for Sponsorship for the 2022 Mayor's Ball is being written on behalf of People Assisting the Homeless aka PATH. PATH has been providing services for homeless men, women, and children for the past 38 years. PATH provides supportive features within our housing programs such as providing vouchers for daycare for families while job searching, resident budgeting and savings, and some transportation needs.

PATH is planning the 10th Annual Mayors' Ball to take place on March 5, 2022. We attempted to have one in 2021 although it was not possible. The planning committee would like you all to know that we are working diligently to prepare and plan to the best of our ability during the pandemic and we appreciate your understanding and support. We are looking forward to the Mayors' Ball taking place and having a community celebration when we can gather once again.

Thank you for your consideration for support of the Mayors' Ball. Non-profits such as PATH rely heavily on community support to fulfill the annual budget which is needed even greater through this worldwide Pandemic. If your company finds itself in the position to support this year it would be very welcomed and helpful to our agency and those we serve in our community.

Appreciatively,

Amanda Lobato
Executive Director
