San Juan County

Re: Mayors Ball Sponsorship Request

Dear Community,

People Assisting the Homeless (PATH) is requesting Sponsorship for the 2023 Mayors' Ball. PATH has been providing services for homeless men, women, and children since 1983. PATH provides support services within our programs such as assistance and referrals for daycare to families while job searching, program participants savings program, and other case management and resource coaching.

PATH is hosting the 11th Annual Mayors' Ball to take place on March 4, 2023. The planning committee would like you all to know that we are working diligently and excited to host our community supporters as this years' event. The "1950's Hollywood Glam" will be a night of fun and excitement for the cause of raising funds to assist in serving our community. Our goal is to serve the community with the provision of basic needs, free meals at Daily Bread location, a temporary shelter program and a transitional housing program with positive support in a strength-based environment balanced with empathy and accountability.

Thank you for your past support of the Mayors' Ball. Non-profits such as PATH rely heavily on community support to fulfill our annual budget. Our agency is not under an umbrella of any other funding and has been able to continue in service because of San Juan County supporters. Thank you for your consideration of this request and if your company finds itself in the position to increase your level of support this year it would be very welcomed and helpful to our agency and those we serve in our community.

Appreciatively,
